LEADERSHIP

Project Lead – Digital Marketing Campaigns
Freelance & Collaborative Projects | 2023 – Present

Campaign Leadership: Led campaign strategy and execution for brands like J's Coffee Shop, Stack Rizz, and File It.

Team Coordination: Managed designers, developers, and ad specialists to deliver on-time and on-brand creatives.

Client Management: Acted as the primary client contact for IPA, Samyak, and Dark Flash Photography.

Performance Optimization: Analyzed metrics, conducted A/B tests, and refined targeting to increase leads and app installs.

Local SEO Strategy: Improved visibility for Samyak and File It using GMB optimization and location-focused content.

Brand Development: Defined branding direction and marketing tone for Stack Rizz and Dark Flash Photography

WORK EXPERIENCE

URBANRISE (Aug 2025- present)

Assistant Manager- Digital Marketing

Drove high-impact digital growth by owning end-to-end social and performance strategy, managing a ₹30 lakh monthly media budget across Meta and Google platforms to deliver consistent qualified leads and revenue outcomes; led audience planning, creative direction, landing page optimization, and conversion tracking aligned with business goals, while strengthening brand visibility through AI-driven SEO and high-intent real estate content strategies; scaled engagement and conversions via WhatsApp automation and integrated communication funnels, and collaborated cross-functionally with marketing, sales, and creative teams to ensure cohesive brand storytelling, campaign execution, and data-driven decision-making.

aHOPE Solution Pvt. Ltd. (Aug 2024 – Present)

Performance Marketing

Driving client acquisition for MSMEs through Meta ads, social media content creation, poster design, and video editing, achieving impactful lead generation results.

PromoBox Photograhpy (2021-2024 july)

Social Media Manager & Assistant Photographer

Successfully served as Assistant Photographer and Social Media Manager at Promobox Photography, overseeing day-to-day operations, supporting photography projects, and managing social media content. Demonstrated exceptional organizational skills and teamwork to deliver high-quality results and exceed client expectations.

FREELANCE DIGITAL MARKETER

Self-employed | Jan 2023 – Present

J's Coffee Shop – Designed and developed an eCommerce website for selling coffee powder, featuring a structured 3x3 product listing, online cart, and secure checkout. Ran Meta Ads to increase local brand visibility and generate online sales.

Stack Rizz – Created high-converting ad creatives and promotional strategies for a product-based app. Executed performance campaigns across Meta platforms, resulting in a significant increase in app downloads and user engagement.

Ideal Play Abacus (IPA) – Launched franchise acquisition campaigns via Meta Ads, achieving over 7 successful franchise leads through geo-targeted and budget-optimized advertising.

Dark Flash Photography – Developed brand assets including posters, landing pages, and lead generation creatives. Executed Meta lead campaigns targeting couples and wedding planners, generating consistent inquiries.

File It (Tax Filing Services) – Boosted visibility through Google My Business optimization and local SEO strategies. Ran Google Ads targeting keywords for GST, ITR, and MSME registrations, leading to steady client inquiries.

Samyak (Education & Consulting) – Strategically ran Meta Ads to promote educational programs and increase form submissions. Improved local SEO rankings, optimizing content and business profiles to boost visibility in local searches.
